

## Adult Sailing School 2010

As members of a yacht club, everyone ought to know how to sail. Maybe not good enough to win the America's cup, but good enough to get from here to there and back. The kids all learn, why not you? Once again we are going to give you that opportunity.

We will conduct an adult sailing school Tuesday, July 6<sup>th</sup> through Friday, July 9<sup>th</sup>. This will be a beginners' course. We welcome anyone interested in learning the basics of sailing. We have found that an intensified 3 day course has more of an impact on teaching you how to sail than spreading it out on days throughout the summer. Note that we aim to have the course last for only 3 days, but because we are liable to get blown out by strong winds or stalled by complete calms on one of the days, we schedule it for 4 days. So, if you are planning to take the course, please make a commitment for all 4 days. We will be done right after lunch on Friday no matter what.

The course will start at 9:00 AM on Tuesday, July 6<sup>th</sup> at the main clubhouse and run until 3:00 PM with a break for lunch. We will have the same schedule on subsequent days. We will conduct the lessons in 15' Sandpiper catboats. We will be using as a text "Learn Sailing Right" put out by US Sailing. You will receive a copy as part of your fee.

Because lunch will be included and the cost of the course materials there will be a charge of \$50 per participant for the course which will be charged to your account.

If you plan to take the course, please let me know by June 11<sup>th</sup> so that I can line up enough instructors and boats. Fill in the registration form below and return it to me or provide me with the information via e-mail.. For any questions I can be reached at 732-295-8698 or via e-mail: [zaney@comcast.net](mailto:zaney@comcast.net)
